SBESC is funded by California utility customers and administered by Southern California Gas Company and Southern California Edison, in collaboration with South Bay Cities Council of Governments (SBCCOG), under the auspices of the California Public Utilities Commission through a contract awarded to SBCCOG. This program may be modified or terminated without prior notice and is provided to qualified customers on a first-come, first served basis until program funds are no longer available. California customers who choose to participate in this program are not obligated to purchase any additional services offered by the contractor. © South Bay Environmental Services Center.
