 L.A. Metro - Sanitation Districts of LA County - LA County - City of Torrance**

SBESC is funded by California utility customers and administered by Southern California Gas Company and Southern California Edison, in collaboration with South Bay Cities Council of Governments (SBCCOG), under the auspices of the California Public Utilities Commission through a contract awarded to SBCCOG. This program may be modified or terminated without prior notice and is provided to qualified customers on a first-come, first served basis until program funds are no longer available. California customers who choose to participate in this program are not obligated to purchase any additional services offered by the contractor. © South Bay Environmental Services Center. Energy Upgrade California

www.energyupgradeCA.org

Energy Upgrade CaliforniaTM helps Los Angeles County homeowners make home upgrades to reduce energy use, conserve resources and create more comfortable and efficient homes. Participating homeowners may be eligible for up to \$4,500 in rebates and incentives. The program offers a “one-stop-shop” to guide the homeowner through the upgrade process:

- Selecting a package that suits the project
- Finding an energy advisor or contractor to do the work
- Applying for rebates, incentives or financing to help pay for it

Energy Upgrade California provides countywide benefits: **Property owners** benefit through rebates and incentives, plus potentially lower utility bills and a more comfortable, livable home; the **environment** benefits through reduced energy consumption and greenhouse gas emissions; and the **economy** benefits with thousands of long-term jobs to install the upgrades.
