

# GATEWAYS TO GREEN BUILDING

## Attention Contractors and Suppliers

Looking for new employees with knowledge and skills in green building and home performance?

**Gateways to Green Building** graduates have been trained to work as:

- Home Energy Auditors
- Home Energy Retrofit Technicians
- Sustainable Development Technicians, and
- Weatherization Technicians

Our trainees have received one or more of the following certifications from leading green building and home performance organizations:

### ***California Building Performance Contractors Association (CBPCA)***

- Intro to California Building Codes, Title 24 and BPI Standards
- Solar Water Heating Applications
- Basics of PV Systems for Grid-Tied Applications
- BPI Building Analyst

### ***Richard Heath and Associates, Inc. (RHA)***

- Weatherization and Energy Retrofit Fundamentals Certificate of Completion

### ***Association of Energy Engineers (AEE)***

- Sustainable Development Technician I

### ***Build it Green (BIG)***

- Certified Green Building Professional
