Energy Upgrade California

FREE WORKSHOP *IN SPANISH* FOR LENNOX RESIDENTS

Dollars and Incentives Available!

SOUTH BAY – FREE workshop in Lennox on Thursday, July 28, 2011 from 6:00 – 7:30 pm. Through Energy Upgrade California in Los Angeles County, homeowners who complete qualifying energy –saving home upgrade projects can receive rebates and incentives of up to \$6,000, if you take advantage of the special summer rebate available until Labor Day. You may be eligible for a federal tax credit of up to \$500 too! With a variety of improvement options, homeowners can increase their home’s energy efficiency *and* reduce monthly utility bills.

Please join the community of Lennox and the South Bay Environmental Services Center to learn more about how to maximize your investment by making your whole house more energy efficient. The workshop will be presented in Spanish.

Free CFL bulbs for those in attendance.

The FREE workshop is on Thursday, July 28, 2011 from 6:00 – 7:30 pm at Lennox Park, Community Room, 10828 Condon Ave, Lennox, CA 90304.

Seats are limited – please pre-register. Register online at www.sbesc.com or call Martha at 310-371-7222 x 209 for information.

This workshop is open to anyone who lives or works in the South Bay and is serviced by South California Edison and/or The Gas Company®. Tell your neighbors, friends and family. They can attend, too!

Este curso esta abierto para cualquier persona que trabaje o viva en el South Bay y que tenga servicio con Southern California Edison and/or The Gas Company®. Dígalos a sus vecinos, amigos y familiares que pueden asistir también!

SBESC – Save Water, Energy, Money and the Environment

The SBESC is the South Bay's local clearinghouse for energy and water efficiency training, materials and other environmental information. SBESC works closely with the sixteen South Bay cities and County Unincorporated Areas of the South Bay on the implementation of energy and water saving projects that reduce greenhouse gases as well as costs. SBESC provides resources and tools to assist residents, businesses, and public agencies in better understanding the potential for energy and water efficiency within their homes and businesses. The Center hosts a wide variety of seminars, training sessions, and participates in many community events to assist consumers in making the best decision regarding energy and water use. The SBESC is operated by the South Bay Cities Council of Governments (SBCCOG) which partners with The Gas CompanySM, Southern California Edison, West Basin Municipal Water District, City of Torrance Water Department, Sanitation Districts of Los Angeles County, Los Angeles County Metropolitan Transportation Authority, and County of Los Angeles for Energy Upgrade CaliforniaTM. Visit <http://www.sbesc.com> for the latest activities, schedules and opportunities to participate in a greener South Bay.
