2011 Holiday Light Exchange Events

South Bay Environmental Services Center (SBESC) provides critical energy and water saving information to businesses, residents, municipal governments, school districts and other special agencies. Through its partnership with Southern California Edison, SBESC has the following important bulletin:

Lennox on November 1, 2011:

South Bay Environmental Services Center (SBESC) and Supervisor Mark Ridley-Thomas' office invite you to participate in the annual holiday light exchange and brighten up your holidays. Trade up to four working strings of old electricity-guzzling incandescent holiday lights for four new, energy-efficient LED strings. Trade-ins are first-come, first served. Quantities are limited and you must be a Southern California Edison (SCE) customer to qualify for this program. Please bring your SCE bill or your driver's license for verification.

Tuesday, November 1, 2011

5:00 – 6:00 pm

Lennox Park Community Center, 10828 Condon Ave, Lennox

For additional information, please contact SBESC 310-371-7222 or visit www.sbesc.com/calendar

Torrance on November 30, 2011:

South Bay Environmental Services Center (SBESC) and the City of Torrance invite you to participate in the annual holiday light exchange and brighten up your holidays. Trade up to two working strings of old electricity-guzzling incandescent holiday lights for two new, energy-efficient LED strings. Trade-ins are first-come, first served. Quantities are limited and you must be a Southern California Edison (SCE) customer to qualify for this program. Please bring your SCE bill or your driver's license for verification.

Wednesday, November 30, 2011

7:30 am – 11:30 am

Torrance City Hall, West Annex, 3031 Torrance Blvd, Torrance

For additional information, please contact SBESC 310-371-7222 or visit www.sbesc.com/calendar

Palos Verdes Estates on November 30, 2011:

South Bay Environmental Services Center (SBESC) and the City of Palos Verdes Estates invite you to participate in the annual holiday light exchange and brighten up your holidays. Trade up to two working strings of old electricity-guzzling incandescent holiday lights for two new, energy-efficient LED strings. Trade-ins are first-come, first served. Quantities are limited and you must be a Southern California Edison (SCE) customer to qualify for this program. Please bring your SCE bill or your driver's license for verification.

Wednesday, November 30, 2011

1:00 – 5:00 pm

Palos Verdes Estates City Hall, Public Works Office, 340 Palos Verdes Drive West, Palos Verdes Estates

For additional information, please contact SBESC 310-371-7222 or visit www.sbesc.com/calendar

SBESC

The SBESC is the South Bay's local clearinghouse for energy and water efficiency training, materials and other environmental information. SBESC works closely with the sixteen South Bay cities and County Unincorporated Areas of the South Bay on the implementation of energy and water saving projects that reduce greenhouse gases as well as costs. SBESC provides resources and tools to assist residents, businesses, and public agencies in better understanding the potential for energy and water efficiency within their homes and businesses. The Center hosts a wide variety of seminars, training sessions, and participates in many community events to assist consumers in making the best decision regarding energy and water use. The SBESC is operated by the South Bay Cities Council of Governments (SBCCOG) which partners with The Gas CompanySM, Southern California Edison, West Basin Municipal Water District, City of Torrance Water Department, Sanitation Districts of Los Angeles County, Los Angeles County Metropolitan Transportation Authority, and County of Los Angeles. Visit www.sbesc.com for the latest activities, schedules and opportunities to participate in a greener South Bay.
