Energy Upgrade California: Meet the Contractors!

Saturday, August 20, 2011, 10 am – 12 pm, **Energy Upgrade California: Meet the Contractors!** FREE workshop presented by the South Bay Environmental Services Center and the County of Los Angeles at the Southbay Energy Efficiency Demonstration (SEED) House, 5021 Lennox Blvd, Lennox, CA. Please join us for a special Homeowner workshop to learn how to save money, increase energy and water efficiency, and earn up to \$6,000 in rebates from Energy Upgrade California. The Homeowner Workshop is from 10-11 am, and then from 11am-12pm homeowners can enjoy a complimentary lunch, join us for an opportunity drawing and prizes, and meet with our qualified Participating Contractors to get the ball rolling on an energy efficiency upgrade. Registration is required, www.sbesc.com/event-registration. For more information, call SBESC at (310) 371-7222, and ask for Grace at extension 206.

SBESC

The SBESC is the South Bay's local clearinghouse for energy and water efficiency training, materials and other environmental information. SBESC works closely with the sixteen South Bay cities and County Unincorporated Areas of the South Bay on the implementation of energy and water saving projects that reduce greenhouse gases as well as costs. SBESC provides resources and tools to assist residents, businesses, and public agencies in better understanding the potential for energy and water efficiency within their homes and businesses. The Center hosts a wide variety of seminars, training sessions, and participates in many community events to assist consumers in making the best decision regarding energy and water use. The SBESC is operated by the South Bay Cities Council of Governments (SBCCOG) which partners with The Gas CompanySM, Southern California Edison, West Basin Municipal Water District, City of Torrance Water Department, Sanitation Districts of Los Angeles County, Los Angeles County Metropolitan Transportation Authority, and County of Los Angeles. Visit www.sbesc.com for the latest activities, schedules and opportunities to participate in a greener South Bay.
