## **Community Outreach Volunteer Opportunities**

### **South Bay Cities Council of Governments**

### **Environmental Services Center**

**SOUTH BAY** – The South Bay Cities Council of Governments Environmental Services Center is currently recruiting community outreach volunteers. The community outreach volunteer position is a challenging and rewarding opportunity. Individuals are able to work at the grassroots level within local communities providing environmental information that can directly influence behavior and choices. The development of relationships and one-on-one interaction makes this a volunteer opportunity perfect for those who like working with people and wish to make a difference at the community level.

We are looking for outgoing and friendly volunteers with a positive attitude that enjoy both outdoor and indoor community events. Training is provided by the SBCCOG Environmental Services Center and hours and schedules are flexible.

If you are interested in getting involved and taking action to save energy, water, and the planet, the SBCCOG's Environmental Service Center wants you to have you as part of the team. For more information, please visit our website at [www.sbesc.com](http://www.sbesc.com) or contact Volunteer Coordinator, Martha Segovia, at 310-371-7222.

Volunteer applications can be found at [http:// www.sbesc.com/volunteer/application](http://www.sbesc.com/volunteer/application).
