Save money.
Be a green leader.
Increase business.

The City of Torrance wants to recognize your business for **BEING GREEN**.

Join a network of more than 4,000 prominent and respected businesses in Torrance and across California taking steps toward sustainability.

**Recognition**
Your business will appear in our Green Business Directory that will be seen by local consumers.

**Savings**
Green businesses implement practices that lead to cost savings in energy, water and garbage bills.

**Support**
Certification includes free, on-site green technical and financial assistance.

**Join us today**
Make a difference through responsible, sustainable business practices that conserve California’s valuable resources.
